### Ugly Love

Author: [Colleen Hoover](#)

**About Book:** When Tate Collins meets airline pilot Miles Archer, she knows it isn't love at first sight. They wouldn't even go so far as to consider themselves friends. The

only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her.

Never ask about the past.  
Don't expect a future.

They think they can handle it, but realize almost immediately they can't handle it at all.

## The Guest

Author: Emma Cline

### About Book:

A young woman pretends to be someone she isn't in this stunning novel by the New York Times bestselling author of *The Girls*. Summer is coming to a close on the East End of Long Island, and Alex is no longer welcome. A misstep at a dinner party, and the older man she's been staying with dismisses her with a ride to the train station and a ticket back to the city.<sup>[SEP]</sup> With few resources and a waterlogged phone, but gifted with an ability to navigate the desires of others, Alex stays on Long Island and drifts like a ghost through the hedged lanes, gated driveways, and sun-blasted dunes of a rarified world that is, at first, closed to her.

**The Angel of Indian Lake**

Author: Stephen Graham Jones

**About Book:**

The final installment in the most lauded trilogy in the history of horror novels picks up four years after *Don't Fear the Reaper* as Jade returns to Proofrock, Idaho, to build a life after the years of sacrifice—only to find the Lake Witch is waiting for her in New York Times bestselling author Stephen Graham Jones's finale.

It's been four years in prison since Jade Daniels last saw her hometown of Proofrock, Idaho, the day she took the fall, protecting her friend Letha and her family from incrimination. Since then, her reputation, and the town, have changed dramatically. There's a lot of unfinished business in Proofrock, from serial killer cultists to the rich trying to buy Western authenticity. But there's one aspect of Proofrock no one wants to confront...until Jade comes back to town. The curse of the Lake Witch is waiting, and now is the time for the final stand.

New York Times bestselling author Stephen Graham Jones has crafted an epic horror trilogy of generational trauma from the Indigenous to the townies rooted in the mountains of Idaho. It is a story of the American west written in blood.

**Fruit of the Dead**

Author: Rachel Lyon

**About Book:**

An electric contemporary reimagining of the myth of Persephone and Demeter set over the course of one summer on a lush private island, about addiction and sex, family and independence, and who holds the power in a modern underworld.

Camp counselor Cory Ansel, eighteen and aimless, afraid to face her high-strung single mother in New York, is no longer sure where home is when the father of one of her campers offers an alternative. The CEO of a Fortune 500 pharmaceutical company, Rolo Picazo is middle-aged, divorced, magnetic. He is also intoxicated by Cory. When Rolo proffers a childcare job (and an NDA), Cory quiets an internal warning and allows herself to be ferried to his private island. Plied with luxury and opiates manufactured by his company, she continues to tell herself she's in charge. Her mother, Emer, head of a teetering agricultural NGO, senses otherwise. With her daughter seemingly vanished, Emer crosses land and sea to heed a cry for help she alone is convinced she hears.

Alternating between the two women's perspectives, Rachel Lyon's *Fruit of the Dead* incorporates its mythic inspiration with a light touch and devastating precision. The result is a tale that explores love, control, obliteration, and America's own late capitalist mythos. Lyon's reinvention of Persephone and Demeter's story makes for a haunting and ecstatic novel that vibrates with lush abandon. Readers will not soon forget it.

## Dead Girls Walking

Author: Sami Ellis

### About Book:

A shocking, spine-chilling YA horror slasher about a girl searching for her dead mother's body at the summer camp that was once her serial killer father's home—perfect for fans of Friday the 13th and White Smoke

Temple Baker knows that evil runs in her blood. Her father is the North Point Killer, an infamous serial killer known for how he marked each of his victims with a brand.

He was convicted for murdering 20 people and was the talk of countless true crime blogs for years. Some say he was possessed by a demon. Some say that they never found all his victims. Some say that even though he's now behind bars, people are still dying in the woods. Despite everything though, Temple never believed that her dad killed her mom. But when he confesses to that crime while on death row, she has no choice but to return to his old hunting grounds to try see if she can find a body and prove it.

Turns out, the farm that was once her father's hunting grounds and her home has been turned into an overnight camp for queer, horror-obsessed girls. So Temple poses as a camp counselor to go digging in the woods. While she's not used to hanging out with girls her own age and feels ambivalent at best about these true crime enthusiasts, she tries her best to fit in and keep her true identity hidden.

But when a girl turns up dead in the woods, she fears that one of her father's "fans" might be mimicking his crimes. As Temple tries to uncover the truth and keep the campers safe, she comes to realize that there may be something stranger and more sinister at work—and that her father may not have been the only monster in these woods.

## Three Kinds of Lucky

Author: Kim Harrison

### About Book:

Luck is its own kind of magic, in this first book in an electrifying new contemporary fantasy series from the author of the #1 New York Times bestselling Hollows novels.

Petra Grady has known since adolescence that she has no talent for magic—and that's never going to change. But as a sweeper first-class, she's parlayed her rare ability to handle dross—the damaging, magical waste generated by her more talented kin's spellwork—into a decent life working at the mages' university.

Except Grady's relatively predictable life is about to be upended. When the oblivious, sexy, and oh-so-out-of-reach Benedict Strom needs someone with her abilities for a research project studying dross and how to render it harmless, she's stuck working on his team—whether she wants to or not.

Only Benedict doesn't understand the characteristics of dross like Grady does. After an unthinkable accident, she and Benedict are forced to go on the run to seek out the one person who might be able to help: an outcast exiled ten years ago for the crime of using dross to cast spells. Now Grady must decide whether to stick with the magical status quo or embrace her own hidden talents . . . and risk shattering their entire world.

## If the Tide Turns

Author: Rachel Rueckert

### About Book:

Set during the Golden Age of Pirates and the shadowy aftermath of the Salem witch trials, this vivid literary debut is inspired by the captivating true story of real-life pirate Samuel Bellamy, combining high seas adventure, star-crossed longing, surprisingly timely questions about social justice and freedom, and the emotionally satisfying tale of one strong-willed young woman determined to choose her own path.

1715, Eastham, Massachusetts: As the daughter of a wealthy family, Maria Brown has a secure future mapped out for her, yet it is not the future she wants. Young, headstrong, and restless, Maria has no desire to marry the aging, mean-spirited John Hallett, regardless of his fortune and her parents' wishes. As for what Maria does want—only one person has ever even asked her that question.

Samuel Bellamy, an orphaned sailor searching for work, meets Maria by chance, enthraling her with talk of far-flung places and blasphemous ideals. But neither is

free from the social order into which they were born. When Sam is banished from Maria's parents' home after asking for her hand, he vows to return a wealthy man, and Maria promises to keep the faith until then.

Sam is drawn into piracy and discovers a brotherhood more equal and fulfilling than any on land, despite its dangers. Beguiled by the chance to both fight for justice and make a fortune to bring home to Maria, Sam is torn between duty to his crew and his desire to return. Separated by more than just the ocean, time slips by as Sam and Maria cling to their love for each other. Maria is determined to stay strong in her conviction in Sam, but as rumors swirl and her position in Eastham turns perilous, Maria is forced into an impossible decision.

## Floating Hotel

Author: Grace Curtis

### About Book:

This cozy debut science fiction novel tells a story of misfits, rebels, found family—and a mystery that spans the stars.

Welcome to the Grand Abeona Hotel: home of the finest food, the sweetest service, and the very best views the galaxy has to offer. All year round it moves from planet to planet, system to system, pampering guests across the furthest reaches of the milky

way. The last word in sub-orbital luxury—and an absolute magnet for intrigue. Intrigues such as: Why are there love poems in the lobby inbox? How many Imperial spies are currently on board? What is the true purpose of the Problem Solver's conference? And perhaps most pertinently—who is driving the ship?

Each guest has a secret, every member of staff a universe unto themselves. At the center of these interweaving lives and interlocking mysteries stands Carl, one time stowaway, longtime manager, devoted caretaker to the hotel. It's the love of his life and the only place he's ever called home. But as forces beyond Carl's comprehension converge on the Abeona, he has to face one final question: when is it time to let go?

## Modern Arab Kingship

Author: Ádám Mestyan

### About Book:

How the “recycling” of the Ottoman Empire’s uses of genealogy and religion created new political orders in the Middle East in this groundbreaking book, Adam Mestyan argues that post-Ottoman Arab political orders were not, as many historians believe, products of European colonialism but of the process of “recycling empire.” Mestyan shows that in the post–World War I Middle East, Allied Powers officials and ex-Ottoman patricians collaborated to remake imperial institutions, recycling earlier Ottoman uses of genealogy and religion in the creation of new polities, with the exception of colonized Palestine. These polities, he contends, should be understood not in terms of colonies and nation-states but as subordinated sovereign local states—localized regimes of religious, ethnic, and dynastic sources of imperial authority. Meanwhile, governance without sovereignty became the new form of Western domination. Drawing on previously unused Ottoman, French, Syrian, and

Saudi archival sources, Mestyan explores ideas and practices of creating composite polities in the interwar Middle East and, in doing so, sheds light on local agency in the making of the forgotten Kingdom of the Hijaz, Jordan, Egypt, Saudi Arabia, and Syria, the first Muslim republic. Mestyan considers the adjustment of imperial Islam to a world without a Muslim empire, discussing the post-Ottoman Egyptian monarchy and the intertwined making of Saudi Arabia and the State of Syria in the 1920s and 1930s. Mestyan's innovative analysis shows how an empire-based theory of the modern political order can help refine our understanding of political dynamics throughout the twentieth century and down to the turbulent present day.

## Vulture Capitalism

Author: Grace Blakeley

### About Book:

In the vein of *The Shock Doctrine* and *Evil Geniuses*, this timely manifesto from an acclaimed journalist illustrates how corporate and political elites have used planned capitalism to advance their own interests at the expense of the rest of us—and how we can take back our economy for all.

It's easy to look at the state of the world around us and feel hopeless. We live in an era marked by war, climate crisis, political polarization, and acute inequality—and yet many of us feel powerless to do anything about these profound issues. We've been assured that unfettered capitalism is necessary to ensure our freedom and prosperity, even as we see its corrosive effects proliferating daily. Why, in our age of unchecked corporate power, are most of us living paycheck to paycheck? When the economy falters, why do governments bail out corporations and shareholders but leave everyday people in the dust?

Now, economic and political journalist and progressive star on the rise Grace Blakeley exposes the corrupt system that is failing all around us, pulling back the curtain on the free market mythology we have been sold, and showing how, as corporate interests have taken hold, governments have historically been shifting away from competition and democracy and towards monopoly and oligarchy.

Tracing over a century of neoliberal planning and backdoor bailouts, Blakeley takes us on a deeply reported tour of the corporate crimes, political maneuvering, and economic manipulation that elites have used to enshrine a global system of “vulture capitalism”—planned capitalist economies that benefit corporations and the uber-wealthy at the expense of the rest of us—at every level, from states to empires. Blakeley exposes the cracks already emerging within capitalism, lighting a path forward for how we can democratize our economy, not just our politics, to ensure true freedom for all.

## The Riddles of the Sphinx

Author: Ádám Mestyán

### About Book:

Combining the soul-baring confessional of *Brain on Fire* and the addictive storytelling of *The Queen's Gambit*, a renowned puzzle creator's compulsively readable memoir and history of the crossword puzzle as an unexpected site of women's work and feminist protest.

The indisputable "queen of crosswords," Anna Shechtman published her first New York Times puzzle at age nineteen, and later, spearheaded the *The New Yorker's* popular crossword section. Working with a medium often criticized as exclusionary, elitist, and out-of-touch, Anna is one of very few women in the field of puzzle making, where she strives to make the everyday diversion more diverse.

In this fascinating work—part memoir, part cultural analysis—she excavates the hidden history of the crossword and the overlooked women who have been central to its creation and evolution, from the "Crossword Craze" of the 1920s to the role of digital technology today. As she tells the story of her own experience in the Crossword, she analyzes the roles assigned to women in American culture, the boxes they've been allowed to fill, and the ways that they've used puzzles to negotiate the constraints and play of desire under patriarchy.

The result is an unforgettable and engrossing work of art, a loving and revealing homage to one of our most treasured, entertaining, and ultimately political pastimes.

## Replay: Memoir of an Uprooted Family

Author: Jordan Mechner

### About Book:

In this intergenerational graphic memoir, renowned video game designer Jordan Mechner traces the path his family takes as it's uprooted by war, Nazi occupation, and everyday marital strife.

1914. A teenage romantic heads to the enlistment office when his idyllic life in a Jewish enclave of the Austro-Hungarian Empire is upended by World War I.

1938. A seven-year-old refugee begins a desperate odyssey through France, struggling to outrun the rapidly expanding Nazi regime and reunite with his family on the other side of the Atlantic.

2015. The creator of a world-famous video game franchise weighs the costs of uprooting his family and moving to France as the cracks in his marriage begin to grow.

Prince of Persia creator Jordan Mechner calls on the voices of his father and grandfather to weave a powerful story about the enduring challenge of holding a family together in the face of an ever-changing world.

### The Kiss Quotient

Author: Helen Hoang

#### About Book:

A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick.

Stella Lane thinks math is the only thing that unites the universe. She comes up with algorithms to predict customer purchases—a job that has given her more money than she knows what to do with, and way less experience in the dating department than the average thirty-year-old.

It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her conclusion: she needs lots of practice—with a professional. Which is why she hires escort Michael Phan. The Vietnamese and

Swedish stunner can't afford to turn down Stella's offer, and agrees to help her check off all the boxes on her lesson plan—from foreplay to more-than-missionary position...

Before long, Stella not only learns to appreciate his kisses, but to crave all the other things he's making her feel. Soon, their no-nonsense partnership starts making a strange kind of sense. And the pattern that emerges will convince Stella that love is the best kind of logic...

## **Always Be My Duchess**

Author: Amalie Howard

### **About Book:**

Pretty Woman meets the Bridgertons in this witty, vivacious historical take on 90s romcoms by USA Today bestselling author Amalie Howard:

Lord Lysander Blackstone, the stern Duke of Montcroix, has only one interest: increasing his considerable fortune. After a series of betrayals, he keeps his emotions buried deep. Money, after all, can't break a man's heart—or make promises it can't keep. But when his reputation for being heartless jeopardizes a new business deal, he finds himself seeking a most unusual—and alluring—solution . . .

Once an up-and-coming ballerina, Miss Geneviève Valery is now hopelessly out of work. After refusing to become a wealthy patron's mistress, Nève was promptly shown the door to the streets. When she accidentally saves the life of a handsome duke, she doubts the encounter will go any better than her last brush with nobility. But instead of propositioning her, Montcroix makes Nève an offer she would be a fool to refuse: act as his fake fiancée in exchange for fortune enough to start over.

Only neither is prepared when very real feelings begin to grow between them. They both stand to win . . . but only if they're willing to risk their hearts.

## Me Before You

Author: Jojo Moyes

### About Book:

A newer edition of ISBN 978-0143124542 can be found [here](#).

From the #1 New York Times bestselling author of *The Giver of Stars*, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*.

They had nothing in common until love gave them everything to lose . . .

Louisa Clark is an ordinary girl living an exceedingly ordinary life—steady boyfriend, close family—who has barely been farther afield than their tiny village. She takes a badly needed job working for ex-Master of the Universe Will Traynor, who is wheelchair bound after an accident. Will has always lived a huge life—big deals, extreme sports, worldwide travel—and now he’s pretty sure he cannot live the way he is.

Will is acerbic, moody, bossy—but Lou refuses to treat him with kid gloves, and soon his happiness means more to her than she expected. When she learns that Will has shocking plans of his own, she sets out to show him that life is still worth living.

A Love Story for this generation and perfect for fans of John Green’s *The Fault in Our Stars*, *Me Before You* brings to life two people who couldn’t have less in common—a

heartbreakingly romantic novel that asks, What do you do when making the person you love happy also means breaking your own heart?

### تطبيق الشروط والأحكام

Author: Mariam Ahmed Ali

About Book:

توعدوني إنكم هتكونوا موجودين؟

نظر الجميع إليها وهم في حيرةٍ من أمرهم

!لا يعلم أي منهم ماذا يقول

الوعود كلمات لا تُغتنفر إن لم تكن صادقين بها،

!لا تُنسى ولا يُمحى مفعولها، إما أن تفي بوعدك أو تعيش كاذبًا للأبد

.لا يمكنك الوعد بما لا تعرفه، لا تعد إن لم تكن متأكدًا، فالوعد أقوى أسلحة البشرية دمارًا إن لم تفي به

!صمت الجميع وأنقذهم صوتٌ مزعج وعال جدًا ليجدوه بابًا يظهر في جدارٍ من خلفهم. هناك باب آخر سيُفتح

ترى من هو التالي؟

## Where the Sidewalk Ends

Author: Shel Silverstein

About Book:

Come in... for where the sidewalk ends, Shel Silverstein's world begins.

Shel Silverstein, the New York Times bestselling author of *The Giving Tree*, *A Light in the Attic*, *Falling Up*, and *Every Thing On It*, has created a poetry collection that is outrageously funny and deeply profound.

You'll meet a boy who turns into a TV set, and a girl who eats a whale. The Unicorn and the Bloath live there, and so does Sarah Cynthia Sylvia Stout who will not take the garbage out. It is a place where you wash your shadow and plant diamond gardens, a place where shoes fly, sisters are auctioned off, and crocodiles go to the dentist.

Shel Silverstein's masterful collection of poems and drawings stretches the bounds of imagination and will be cherished by readers of all ages.

### Ugly Love

Author: [Colleen Hoover](#)

**About Book:** When Tate Collins meets airline pilot Miles Archer, she knows it isn't love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her.

Never ask about the past.  
Don't expect a future.

They think they can handle it, but realize almost immediately they can't handle it at all.

## The Guest

Author: Emma Cline

### About Book:

A young woman pretends to be someone she isn't in this stunning novel by the New York Times bestselling author of *The Girls*. Summer is coming to a close on the East End of Long Island, and Alex is no longer welcome. A misstep at a dinner party, and the older man she's been staying with dismisses her with a ride to the train station and a ticket back to the city. With few resources and a waterlogged phone, but gifted with an ability to navigate the desires of others, Alex stays on Long Island and drifts like a ghost through the hedged lanes, gated driveways, and sun-blasted dunes of a rarified world that is, at first, closed to her.

## Judgment at Tokyo

Author: Gary J. Bass

**About Book:**

A landmark, magisterial history of the trial of Japan's leaders as war criminals—the largely overlooked Asian counterpart to Nuremberg

In the weeks after Japan finally surrendered to the Allies, the world turned to the question of how to move on from years of carnage and destruction. For Harry Truman, Douglas MacArthur, and their fellow victors, the questions of justice seemed clear: Japan's leaders needed to be tried and punished for the surprise attack at Pearl Harbor; shocking atrocities against citizens in China, the Philippines, Korea, and elsewhere; rampant abuses of POWs. For the Allied Forces, the trial was an opportunity to achieve justice against the defendants, but also to create a legal framework for the prosecution of war crimes and to prohibit the use of aggressive war, and to create the kind of liberal international order that would prevail in Europe. For the Japanese leaders facing trial, it was their chance to argue that their war had been waged to liberate Asia from Western imperialism.

For more than two years, lawyers for both sides presented their cases before a panel of judges from China, India, the Philippines, and Australia, as well as the US and Europe. The testimony ran from horrific accounts of brutality and the secret plans to attack Pearl Harbor to the Japanese military's threats to destabilize the government if it sued for peace. Yet rather than clarity and unanimity, the trial brought division and complexity; these tensions and contradictions could also be seen playing out across Asia as the trial unfolded, from China's descent into civil war to India's independence and partition to Japan's first successful democratic elections and the rewriting of a new, liberal constitution.

Judgment at Tokyo is a riveting story of wartime action, dramatic courtroom battles, and the epic formative years that set the stage for the Asian postwar era.
